Dear Gina

Re: Woodland Lodge

The Management Committee have asked me to let you know how delighted we are with the installation of Fingersafe to all our internal doors. The service we received has been second to none, from the initial phone call to the actual completion of the job, we received nothing but professionalism and courtesy. The standard of workmanship is exemplary and the site left spotless.

We feel the building is now "finger proof" and the 2700 odd children that pass through our doors each year will benefit greatly by having this work done.

Kindest regards

Pat Shephard - Chairman Management Committee
